OUR PRODUCT PHILOSOPHY

Fairmont spas emphasize many aspects when choosing products for each of our locations around the world. With luxury in mind, each brand selected demands quality and results-driven treatments, which are personalized to suit the needs of our valued guests. Environmental sustainability is considered whenever and wherever possible, reflecting our brand's commitment to social responsibility. Our relationships with the product houses are important in ensuring we have premium spa products and training available for each and every encounter with our guests.

AROMATHERAPY ASSOCIATES

Aromatherapy Associates has been the leading expert in aromatherapy for over 30 years. Their award-winning, natural essential oil blends, body care and skincare products are as effective as they are luxurious. Experience the true power of essential oils and the incredible effects they have on the body and mind with Aromatherapy Associates products.

DMK SKINCARE & ENZYME THERAPY

Enjoy skillful skincare treatments combined with Trans-epidermal delivery products & Enzyme therapy to embrace the concept of Remove, Rebuild, Protect & Maintain. Remove skin cell build up which leads to the appearance of dry skin, fine lines and discolorations. Rebuild remaining living cells by providing protein, amino acids and nutrients enabling the cells to live longer and healthier. Protect your skin from the sun, free radicals, glycation and other environmental factors. Maintain the skins optimal function with appropriate home care and regular treatments.

DMK ENZYME TREATMENT

Improve the appearance, performance and function of skin with DMK Enzyme Therapy. Enzymes temporarily bind with a molecule, breaking them down or building them up based on their unique purpose. DMK Enzyme Masques are formulated with enzymes that allow proteins to permeate the skin and voluntarily tighten and contract the fragile muscles lying directly under the fascia. As the mask sets, the skin is strengthened, the matrix is cleaned with increased circulations and lymphatic drainage, and fluids rebalance to increase hydration.

**This treatment is not recommended for anyone that is pregnant.

90 min | \$275

BODY TREATMENTS

ROSE HYDRATOR

This treatment begins with a gentle olive grain exfoliation. Then the body is layered in a hydrating and regenerating rose gel. A moisturizing and softening combination of evening primrose oil and shea butter is smoothed on before being left under a wrap, to penetrate by using the body's own heat. An Ayurvedic scalp massage works simultaneously on the physical, mental and emotional aspects. *Guests should be advised to use steam & sauna prior to body treatments.

60 min | \$180

**This treatment is not recommended for anyone that is pregnant.

DMK HOT MUD COCOON

A warm mud is generously applied to the body stimulating the release of impurities. Your entire being is nestled in a delightful cocoon and transported to a state of divine relaxation. As your skin absorbs enriching minerals, your body radiates healthy purification and deep hydration for a delightful sense of renewal. *Guests should be advised to use steam & sauna prior to body treatments.

60 minutes | \$175

**This treatment is not recommended for anyone that is pregnant.

REVIVE SALT SCRUB

This focuses on a full body exfoliation and hydration. A pink grapefruit, rosemary and juniper berry infused treatment begins with a Dead Sea salt exfoliation. Followed by a layer of moisture locking Revive body gel and body oil to hydrate, nourish and protect the skin. This treatment will leave you feeling smooth and rejuvenated.

50 minutes | \$165

**This treatment is not recommended for anyone that is pregnant.

FIRMING & CONTOURING BODY WRAP

Slim and tone your body with a cutting-edge cellulite treatment. This wrap stimulates your body's ability to break down fat, increase metabolism and eliminate water retention. Smooths and enhances your skin's overall texture, visibly reducing cellulite areas. *Guests should be advised to use steam & sauna prior to body treatments

75 minutes | \$195

**This treatment is not recommended for anyone that is pregnant.
